LAUNDRO MENTOR

Spotting Kit

We offer a high-quality spotting kit that includes 7 types of specialized spotting chemicals. These are highly effective in treating and removing common stains such as ink, cosmetics, paint, blood, rust, food, and oil. The chemicals are part of a premium German brand, known for its eco-friendly and organic formulations. This makes the kit not only powerful in stain removal but also safe for the environment and gentle on fabrics.
